MANOJ KUMAR N

+91 6363988355 | manojk.n476@gmail.com | LinkedIn | github.com/Manojn476 | LeetCode

EDUCATION

B.M.S College of Engineering Bengaluru, India
Bachelor of Engineering in Artificial Intelligence and Data Science
CGPA: 8.41/10 (till 5th sem) Aug 2023 – May 2027

EXPERIENCE

Data Visualization Trainee Early Remote Internship *2025*

- Performed data cleaning, analysis, and visualization on real-world datasets using Microsoft Excel
- Gained practical exposure to data-driven decision making and presentation techniques

PROJECTS

Purchase Intent Prediction System | *Python, Scikit-learn, Streamlit, Machine Learning*

- Developed ML-based system to predict online shopping purchase intent using visitor behavior data
- Performed data preprocessing, feature engineering, and model evaluation to improve prediction accuracy having real-time prediction and visualization of results

InterviewAI – AI-Powered Adaptive Interview Preparation System

- Built an AI-powered interview preparation platform using LLMs and knowledge graphs to analyze resumes/JDs, generate adaptive questions, and simulate multi-agent interviews (technical, system design, HR)
- Designed and implemented a full-stack system (FastAPI + Next.js) with a NetworkX-based knowledge graph

Social Resistance Network Analyzer | Python, NetworkX, Streamlit, Geospatial Analysis

- Spatial Network Modeling: A two-layer graph system using resistance modeling and isolation metrics to assess urban amenity accessibility and equity.
- Geospatial Visualization: Developed an interactive web app with real-time mapping to visualize infrastructure distribution and service viability.

TECHNICAL SKILLS

Languages: Python, C, SQL
Data Structures & Algorithms: Arrays, Linked Lists, Trees, Graphs, Dynamic Programming
Machine Learning: Data preprocessing, feature engineering, model evaluation, Scikit-learn
Tools & Technologies: Git, Linux, Microsoft Excel, Power BI, Neo4j, Couchdb, Pgadmin
Problem Solving: Active LeetCode practice (Arrays, Strings, Trees)

CERTIFICATIONS

Artificial Intelligence for All – Infosys Springboard
Machine Learning – Simplilearn
Mastering The art of Prompting -IBM SkillsBuild
Nutanix Certified Associate 6(NHCF)-Nutanix University
